ABOUT US

OUR STORY

At Basalt, we are dedicated to providing high-quality, eco-friendly cleaning solutions for homes, businesses, and industrial spaces. As a leading manufacturer and trader of cleaning products, we combine innovative technology with sustainable practices to ensure that every product we create is both effective and environmentally responsible.

Founded in 2016, our company has grown from a small startup to a trusted name in the cleaning industry. We offer a wide range of products, including building cleaning solutions, industrial cleaning solutions, Health-Care cleaning products & Home-Care cleaning products. All of our products are made with the highest standards of quality control, ensuring safety, reliability, and performance.

We are committed to supporting our customers with exceptional service, timely deliveries, and customized solutions tailored to their unique cleaning needs. With a focus on continuous improvement and a passion for cleanliness, Basalt strives to be the go-to provider for all your cleaning product requirements.

Our mission is to help create healthier, cleaner, and more sustainable environments for our clients while reducing the ecological footprint of cleaning practices. Through innovation and a deep commitment to quality, we aim to lead the way in the cleaning products industry.

VISION

Our vision is to be the world's premier provider of bespoke luxury amenities, setting the gold standard for craftsmanship & innovation. By strategically expanding our market share and increasing turnover to 149 CR within next 3 years, we aim to deliver sustainable growth and exceptional value to our stakeholders, positioning ourselves as the preferred choice in the global marketplace.

MISSION

Our mission is to blend elegance with functionality, ensuring every product enhances comfort, sophistication & exclusivity in luxury hospitality.
